List of Listings

1	Hello World in C	1
---	----------------------------	---

1 Introduction

This is the introduction [1]. Also check out Listing 1.

```
#include <stdio.h>

int main()
{
    /* printf() outputs the quoted string */
    printf("Hello, World!");
    return 0;
}
```

Listing 1: Hello World in C

and some text

2 Preliminaries

Preliminaries which also show Figure 1.

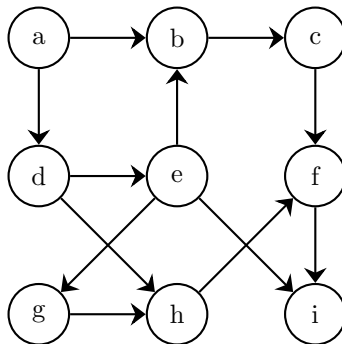

Figure 1: Just a graph

And also check out the figure in Figure 3.

3 Conclusions

Conclusions made to answer Section 1. See Appendix A for further discussion. Also Figure 2 is pretty nice in combination with Table 1 and Section 3.1.
